Important voting information:

From Scott McDonell

I have informed Dane County Municipal Clerks that during this emergency and based on the Governors Stay at Home order I am declaring all Dane County voters may indicate as needed that they are indefinitely confined due to illness. This declaration will make it easier for Dane County voters to participate in this election by mail in these difficult times. I urge all voters who request a ballot and have trouble presenting an valid ID to indicate that they are indefinitely confined.

People are reluctant to check the box that says they are indefinitely confined but this is a pandemic. This feature in our law is here to help preserve everyone's right to vote.

The process works like this:

- A voter visit's [myvote.wi.gov](https://myvote.wi.gov) to request a ballot.
- A voter can select a box that reads "I certify that I am indefinitely confined due to age illness, infirmity or disability and request ballots be sent to me for every election until I am no longer confined or fail to return a ballot.
- The voter is then able to skip the step of uploading an ID in order to receive a ballot for the April 7 election.

Voters are confined due to the COVID-19 illness. When the Stay at Home order by the Governor is lifted, the voter can change their designation back by contacting their clerk or updating their information in [myvote.wi.gov](https://myvote.wi.gov)

Voters who are able to provide a copy of their ID should do so and not indicate that they are indefinitely confined.
